Agenda Consideration

TOPIC: Revenue Producing Options

ITEM NO.: 4E

PREPARED BY: H. Charles Woodruff, II
Assistant Superintendent
of Financial Services

MEETING: May 11, 2004

ACTION DATE: Not Applicable

ACTION REQUESTED BY THE SUPERINTENDENT: That the School Board endorse the preparation of a Request for Proposals to obtain a consultant to review what options are available to generate revenue for Stafford County Public Schools.

KEY POINTS:

Preliminary research by staff indicates that many school divisions have generated revenue through such options as 1) sole source beverage contracts, 2) vending contracts, and 3) naming of high school sports stadiums.

If the School Board is interested in pursuing this service, staff will prepare a Request for Proposals to determine which options would be most feasible for Stafford County Public Schools.

SCHOOL BOARD GOAL 4: Address the impact of continuing population growth by developing plans to address expanding staff, facilities, transportation, attendance zones, and instruction.

FUNDING SOURCE: Not applicable at this time.
